Education

- Master in Business administration.
Cardiff Metropolitan University, September 2023- present.
- BA in Economics
Government Vidarbha institute of Science and Humanities.
June 2016- January 2020

Work Experience

- Café management for umbrella café (2021-2022)
As a Café Manager, I developed strong leadership and financial management skills, overseeing team performance, budgeting, and inventory control. I excelled in customer service, resolving issues promptly, and implemented marketing strategies to boost sales and foster customer loyalty.
- Telecom representative for KALP solution (3 months)
As a Telecom Representative, I honed my communication and problem-solving skills by effectively handling customer inquiries and resolving technical issues. I gained expertise in technical support and customer relationship management, ensuring high levels of customer satisfaction and retention.

Hobbies
